### **U of C Federal Credit Union Actively Seeks Member Vote**

BOULDER, COLO- APRIL 15, 2005- In a unique move among financial institutions, U of C Federal Credit Union has expanded the annual board of directors election in 2005, by offering voting from April 18<sup>th</sup> to 29<sup>th</sup> at the Credit Union's six branch offices. Information on the board candidates and voting materials are available in the lobbies during regular business hours.

Using our branch network, opens voting to more members, provides easy access and assures that the democratic process reaches as many eligible account holders as possible, said Bill Sterner, President/CEO.

In past years, voting has been carried out primarily by mail and at the Credit Union's annual meeting. As a financial cooperative, U of C Federal Credit Union is directed by an unpaid, volunteer board, elected by, and from, the membership. Broad participation in the Credit Union's democratic process assures that our board of directors represents the voices of our account holders, said Bill Sterner, President/CEO.

U of C Federal Credit Union will host two events to encourage participation in the election and allow account holders to meet their volunteer leadership and board candidates. Meet Your Volunteers takes place Thursday, April 21, 2005 from 4:00

6:00 pm at U of C Federal Credit Union's Diagonal branch, 2960 Diagonal Highway, Boulder. Member Appreciation Day takes place Friday, April 29, 2005, during business hours at all U of C Federal Credit Union branch offices.
