Federal Reserve Bank Appoints Elevations Credit Union CEO Gerry Agnes to Advisory Council

Boulder, CO– January 17, 2019 – Elevations Credit Union announces that the Federal Reserve Bank of Kansas City has appointed Elevations Credit Union President and CEO Gerry Agnes to its Community Depository Institutions Advisory Council (CDIAC). The council, which was established in 2011, provides input to the Bank and its senior management on the economy, lending conditions and other issues.

The 12 members of the CDIAC represent banks, thrift institutions and credit unions and provide diverse views from various community institutions. As the regional headquarters of the nation’s central bank, the Federal Reserve Bank of Kansas City and its branches in Denver, Oklahoma City and Omaha serve the seven states of the Tenth Federal Reserve District: Colorado, Kansas, Nebraska, Oklahoma, Wyoming, northern New Mexico and western Missouri. More information about the Bank’s advisory councils is available on its website: kansascityfed.org.

About Elevations Credit Union
Elevations Credit Union is a member-owned not-for-profit financial institution serving Colorado’s Front Range. Elevations provides a broad portfolio of financial products and services including checking and savings accounts, mortgage loans, credit cards, auto loans, home equity loans, student loans, business loans and financial planning. Founded in 1953 as the U of C Federal Credit Union in Boulder, Elevations has grown from 12 members and less than $100 in assets to an institution with more than 130,000 members that manages more than $2 billion in assets and is the No. 1 credit union mortgage lender in Colorado. In 2014, Elevations earned the prestigious Malcolm Baldrige National Quality Award. In 2015 and 2016, Elevations was named one of the Best Companies to Work for in Colorado in the large company category. Readers of local newspapers name Elevations “Best Bank/Financial Institution,” “Best Mortgage Lender” and “Best Customer Service” year after year. To learn more, visit elevationscu.com.
