

Elevations Credit Union Contributes \$30,000 to Brayman-Beach Scholarship

BOULDER, Colo.—August 1, 2016— Elevations Credit Union is proudly contributing a total of \$30,000 over three years to help create an endowed fund for Mountain West Credit Union Foundation’s Brayman-Beach Scholarship—a \$5,000 scholarship awarded annually to a Colorado credit union member pursuing an undergraduate business degree.

The scholarship honors two great leaders of the credit union movement: Susan J. Brayman and Carol D. Beach. Beach has served on Elevations Credit Union’s Board of Directors since 2010.

“We are proud to support the Mountain West Credit Union Foundation,” said Dennis Paul, VP of Business and Community Development at Elevations and Mountain West Credit Union Foundation member. “The work of these two leaders has been instrumental in the success of the credit union movement in Colorado.”

The Mountain West Credit Union Foundation’s mission is to promote leadership development and the long-term success of credit unions in their communities. This 501(c)3 charitable organization provides professional development scholarships, academic scholarships, affordable financial services grants, credit union development grants and public financial education grants.
